

Task1:

Individual Activity: Do more positive communication using the following table.

Negative	Positive
I always mess this up.	I learn from mistakes and improve every time.
I am not made for this job.	I am capable of learning this job, and I grow stronger and more skilled every day.
I have made a stupid mistake	I made a mistake, but it doesn't define me — I learn from it and do better next time.
I don't have the resources.	I may not have all the resources now, but I can find solutions and make the most of what I have.
I am left out of the email thread. No one tells me anything.	Even if I'm not always included, I can stay proactive, reach out, and stay informed.
This is too complicated.	It may be complicated, but I can break it down and handle it step by step
I don't have the expertise.	I may not have the expertise yet, but I can learn and develop the skills I need.
This is pushing the limits of my abilities.	This is challenging, but it's helping me grow and expand my abilities.
I have never done this before.	I have never done this before, but I am capable of learning and figuring it out.
Sorry I don't know!	It's okay not to know — I can learn and find the answer.

Task2:

As a freelancer, what would you say to a client in the below scenarios?

1. The client didn't send the request on time

I understand delays happen. Once I receive the request, I'll adjust my schedule to accommodate it and deliver it on time."

2. The client sent incorrect information in the request.

Thank you for the information! I noticed a few details might need clarification. Could you please confirm them so I can deliver exactly what you need?

3. The client is upset because of the delay.

I'm really sorry for the delay. I appreciate your patience, and I'll make sure to prioritize your request to get it done as soon as possible.
