

Business Situations – What to do?

You are in a meeting with a client and he provokes you by using some negative words.

- Remain calm and professional.
- Listen without interrupting.
- Do not argue or speak back badly.
- Answer politely and focus on solving the problem.

Someone writes negative feedback on your performance and posts it on social media.

- Do not respond emotionally.
- Review the feedback objectively.
- Reply in a polite and professional tone or ask to talk privately.
- Learn from the feedback if it is true.
