

No.	Time Wasters	How to Overcome Them?
1	Procrastination	Break tasks into smaller steps to work smoothly and start with the easiest task.
2	Social media scrolling	Set daily limits and turn off non-essential notifications.
3	Distractions from others	Set specific focus hours and inform others not to interrupt during that time.
4	Disorganized workspace and mind	Keep your desk clean and organize your thoughts using brainstorming or to-do lists.
5	Not knowing when to say no	Decline extra tasks that do not match your priorities.
