

Day 1

- **What triggered it?**
Heavy academic workload and an approaching deadline.
 - **How did I respond?**
Felt anxious, rushed my tasks, and skipped a break.
 - **What helped?**
Taking a short walk and organizing tasks into smaller steps.
 - **What could I try next time?**
Start tasks earlier and use a to-do list to manage time better.
-

Day 2

- **What triggered it?**
Lack of sleep and long screen time.
 - **How did I respond?**
Felt tired and less focused, became easily irritated.
 - **What helped?**
Drinking water, short stretching.
 - **What could I try next time?**
Sleep earlier and take regular breaks during study time.
-

Day 3

- **What triggered it?**
Balancing study, personal responsibilities, and future career concerns.
- **How did I respond?**
Overthinking and feeling mentally overwhelmed.
- **What helped?**
Writing my thoughts down and talking to a friend.
- **What could I try next time?**
Practice mindfulness and set realistic daily goals.
