DIGILIANS

Induction Session

Berlitz®

OPENING THE WORLD SINCE 1878

Self- Introductions

- Why are you here in Digilians?
- What do you hope to achieve by the end of the initiative?
- What are your short-term and long-term goals?

Digilians

Goals

- Digilians is a scholarship offered by the Ministry of Communications and Information Technology (MCIT), aiming to make a significant impact on Egypt's ICT sector. The initiative equips youth with the skills they need to increase their employability and support their success across different work environments.
- It focuses on developing participants' skills in ICT and their modern applications, alongside soft skills such as communication, leadership, and language proficiency to better meet market demands.

Class Rules

- ***No phones are allowed in class***
- ***Tardiness is not acceptable; we start our class on time.***
- ***Break time is 10 mins, tardiness after the break is also not acceptable.***

◦ **We will study five modules:**

Module 1: Initiating Communication Foundations

Module 2: Platform Presence & Proposal Strategy

Module 3: Client Interaction & Relationship Management

Module 4: Digital Tasks & Technical Fluency

Module 5: Strategic Positioning & Career Growth

Two Truths and One Lie

2 TRUTHS & 1 LIE ?

Which one is not true?

- a** I have a twin sibling.
- b** I play the piano.
- c** I was born in Australia.
