Assignment 2: Portfolio

(Total: 25 Marks)

1) Personal Branding (3 Marks)

Requirements:

- Clear full name displayed at the top of the portfolio
- Professional profile photo
- Job title such as Software Developer, Data Analyst, UX Designer, Mobile App Developer, or Full Stack Developer

Evaluation:

- Excellent: Clear, complete, and professionally presented identity
- Good: Present but needs better formatting or clarity
- Poor: Missing or unclear elements

2) About Section (3 Marks)

Requirements:

- Short introduction (3–5 lines)
- Field of specialization
- Key skills
- Career objective

Evaluation:

- Excellent: Clear, focused, and professional summary
- Good: Present but too general or not well focused
- Poor: Missing or unclear

3) Experience (4 Marks)

Requirements:

- Internships, freelance work, or previous experience
- Explanation of each experience: role, tasks, and what was learned

Evaluation:

- Excellent: Well-documented experience with clear responsibilities and outcomes
- Good: Experience mentioned but lacks details
- Poor: Missing or poorly structured

4) Education (3 Marks)

Requirements:

- University name
- Major / specialization
- Study period

Evaluation:

- Excellent: Complete and well-organized information
- Good: Present but incomplete
- Poor: Missing or unclear details

5) Projects (7 Marks)

Requirements:

- Multiple practical projects
- One major project clearly highlighted
- Each project should include: problem, solution, tools used, and outcome

Evaluation:

- Excellent: Strong projects with detailed explanations
- Good: Projects exist but lack depth
- Poor: Missing or weak project section

6) Courses & Certifications (2 Marks)

Requirements:

- Completed courses
- Recognized certifications (online platforms or institutions)

Evaluation:

- Excellent: Well-organized and verified certifications
- Good: Present but not well structured
- Poor: Missing

7) Volunteering (1 Mark)

Requirements:

- Any volunteering experience
- Role description

Evaluation:

- Excellent: Clear and meaningful contribution
- Good: Mentioned but without details
- Poor: Missing

8) Contact Information (1 Mark)

Requirements:

- Professional email
- LinkedIn profile
- GitHub link

Evaluation:

- Excellent: Complete and functional contact channels
- Good: Missing one element
- Poor: Missing or not functional

9) UI/UX & Presentation (1 Mark)

Requirements:

- Clean structure
- Easy to read layout
- Professional and simple design

Evaluation:

- Excellent: Highly organized and visually professional
- Good: Acceptable but needs improvement
- Poor: Unorganized and difficult to read
