

Digilians

Diploma – 9 Months **Leadership Skills** Final Assessment

FINAL ASSESSMENT PRESENTATION

- You are required to work as a **lab team** to prepare a final presentation for assessment.
- Each lab is required to prepare **one team presentation that the whole lab participates in preparing.**
- Select **4 to 5 members** from each lab to present it.
- Duration of the presentation is **10 minutes**; followed by **5 minutes Q&A that the whole lab should be ready for.**

FINAL ASSESSMENT PRESENTATION

- **The presentation should cover the following:**
 - Link between leadership skills and your track
 - Examples of applying leadership skills during the program
 - How to apply leadership skills as an entrepreneur/freelancer/employee
 - Select, research and explain one **new** leadership model or skill that you can use (examples: motivation, team engagement, strategic thinking, etc...)
 - Your future leadership development plan
 - Team process and roles to prepare and deliver this presentation (you should include the role of each member)

IMPORTANT NOTES

Please keep in mind the following:

1. The whole lab should participate in preparing the presentation.
2. You need to cover all the points required in the presentation using your own structure and sequence of topics. You can choose the order of topics you prefer (be creative).
3. The whole team should be ready for questions.

EVALUATION RUBRIC

- Total Score: 100
- Criteria:
 1. Depth of analysis of the deliverables/20
 2. Completeness and clarity of all deliverables/20
 3. Team process and team roles/20
 4. Presentation structure/20
 5. Presentation delivery skills/20

IMPORTANT NOTES

- Presentation days: Thursday 21 & Friday 22 May. A detailed schedule for each lab will be sent.
- Please upload your presentation on the LMS.
- Deadline for uploading the presentations is **Thursday at 3:00 PM.**
- **Each member** of the team must upload the presentation
- The presentation must be saved with the following format:
Lab number & specialization_Final Presentation

Example: Lab6 Data Analysis_Final Presentation

REMEMBER

**IF YOU CAN'T LEAD YOURSELF,
YOU CAN'T LEAD ANYBODY ELSE**

Good Luck!
